Welcome to Bangkok Finder

Bangkok Finder is an established property rentals agency specialising in long term residential leasing in Bangkok with a **minimum lease of one year**. We pride ourselves in our 99% repeat client rate, and an equally high referral rate which is reflected in our client testimonies. Try us and see for yourself! We reply to all enquiries within 24 hours. Our service is FREE for viewings within the CBD areas i.e. Sukhumit, Silom and Sathorn, Rama III & IV. However, for properties out of the CBD, please check out the charges here.

You will always get the very best rental rates with us, whatever your budget may be because we have long established relationships with apartments and private landlords, which allow us to go all the way out to negotiate on your behalf. This is a guarantee many of our clients can vouch for.

Our website is updated daily featuring hundreds of Bangkok apartments, condos, and houses for rent within central Bangkok. Since we are not able to list every property online, please contact us if there is a particular building or property you are interested in. If it is available for rent, we can surely get it for you!

We are open six days a week, Mondays - Fridays between 9am and 6pm. Saturdays 9am - 3pm. Closed on Sundays and public holidays.
